A Letter from the President

2020 was certainly an interesting one as we all know! The strange year also brought about some of the best in the reining shows, with each show having the highest attendance and financially being one of the best years for CPRHA. I have been president for 7 years and love being apart of CPRHA, through rough times the members of CPRHA stepped up to help make each show not only financially successful, but operate smoothly and efficient as well. I'm very fortunate to work with board members who are willing to go the extra mile (or 10) it takes to help out wherever needed, CPRHA would not be as successful if it were not for them. The saying , "it takes a village to raise a child" applies to an organization as well and we have a great village! Good luck to everyone this year. Safe travels as we see you down the road and God Bless

Thank You and God Bless
Get focused for 2021!

Serena Siebrandt

President CPRHA 2021

President - Serena Siebrandt

Serena Siebrandt her husband, Josh and daughter Abigail live near Clarkson. Serena is the owner/operator of Siebrandt Training LLC, Josh is the local superintendent for Clarkson and Howells Loup Public Power. Serena and Josh started building their training facility in 2012 with a stall barn and built an indoor in 2019. Serena trains all disciplines with an emphasis on reining. Serena coaches all ages youth amateur and select. She offers services to all those that love horses and learning from 4-H level to the NRHA affiliate Championships.

Serena has been a member of CPRHA since 1998. She has been on the board since 2013, starting out as a Director, then the Vice President for 2 years, and as President for the last 6 years.

Vice President - Josie Ketelsen

Josie Ketelsen lives in Norfolk, NE running her full time business Ketelsen Training. She offers lessons for youth and amateurs in all disciplines. English, Western, Reining, Ranch and Showmanship are some of her favorite events to teach riders and horses. She provides a lesson program for 4-Her's, those looking to haul to AQHA, and especially the CPRHA Circuit. She also stays busy with starting colts for the show pen, tune ups and helping clients towards their horse goals. Josie has been involved in the CPRHA program since a youth and is excited to be the 2021 Vice President. She enjoys helping her riders be successful at the shows and most of all having fun. She can't wait to see what 2021 show season has in store for CPRHA.

Secretary - Sherman Tegtmeier

Sherman Tegtmeier has been an active CPRHA member since it's inception in 1991. He started showing at that time as a youth reiner and has since progressed to becoming one of CPRHA's professional trainers. He has served as a board member since 1999 and has held multiple board offices in that time.

Currently, he and his family reside in Blair, NE where he raises and trains reining horses. He actively coaches youth, rookie and non pro reiners as well. Sherman has trained, shown and coached multiple world champions as well as aged event futurity and derby champions.

Sherman actively works to promote the sport of

reining and enjoys seeing the the organization and its' members develop.

Treasurer - Diane Noble-Wynegar

Diane Noble-Wynegar from Lincoln, NE has come up through the ranks with CPRHA. Beginning her Reining Show Career in 2011, with a 3 year old in the CPRHA Futurity that year to being the High Point Non-Pro the last 2 years with the club. Diane owns her own business supporting and coaching women through the Skincare and Color Cosmetics world. Currently raising quality reining bred babies in the hopes to show a home bred to the Futurity level.

She and her husband Kevin are empty nesters loving the grandparenting life! She looks forward to serving the Reining community as a new Board member! Her biggest goal would be to help to continue to share and spread the passion for the Sport of Reining!!

Director - Megan Douthit-Downey

Megan Douthit-Downey from St. Francis, KS is new to the CPRHA board of directors. She has been actively involved in CPRHA and showing reining horses since 2009. Growing up on a ranch she has always had an appreciation for a well trained, good minded, athletic partner, so when introduced to reining, it quickly became a passion. She is looking forward to helping CPRHA grow and continue to be the fun, welcoming, yet, competitive environment for reiners of all levels. Megan and her husband Chuck operate Douthit Herefords and Douthit-Downey Land and Cattle. They focus on reputable seedstock and a no-till farming operation. They have two sons, Carter and Austin. Carter is just beginning the reining ranks in short stirrup.

Director - Seth Chamberlain

Seth Chamberlain grew up in Stamford Nebraska where he first started riding and training horses. When he was 18 he went to work under Tom McCutcheon as well as Gabe Hutchins. In 2017, Chamberlain Performance Horses was started.

Seth and his wife Rachel, along with their two children currently reside in Ashland Nebraska. They have a spacious outdoor arena and a large 120 x 180 indoor arena makes for optimal training regardless of the time of year. When he is not riding, Seth enjoys spending time with his family and working on projects around their place.

Director - Mike Hinrichsen

Mike Hinrichsen, lives outside of Anthon, IA with his family. Mike has been a CPRHA member on-and-off for 8 years. He owns and operates a HVAC Commercial Mechanical Company. He currently is in the process of building a cabin on Big Stone Lake in South Dakota. Mike has 3 children and 2 step-children who are all grown, plus an additional 7 grandkids who keep him busy.

SERENA
SIEBRANDT

Roosta

thank you

As I look back to July 2020 I wasn't sure I was even going to show and now it's January and I carry with me the most memorable times you could have as a rider and owner. Congratulations Serena and Roosta placing 6th in Sr. Ranch Riding at the 2020 AQHA World Show. Wow! what an awesome accomplishment for you. I know it made my dreams come true. Especially being able to be there and share all the excitement with you this time. Serena you are such a blessing to me that I do not even know how to say thank you! You and Roo make such a wonderful team and it has been so fun watching you. Ride on!

WILLOW

QUARTER HORSES

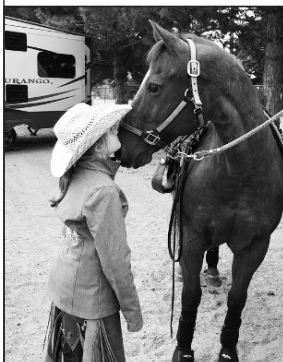

Kira VINTAGE Step Morgan Ritz

Thank you to Keith and Kathy Klover for the opportunity to show Vinnie. Her talent and willingness to perform made for an unforgettable year.

Every good and perfect gift comes from above.
James 1:17

Caitlyn Cronin, Lenas Taxman Champion Short Stirrup

My horse's name is Lenas Tax Man, also known as Taz. Taz gave it his all and allowed me yet another great year! Taz loves to show, and has taught me so much. It is an honor to bring home the 2020 Short Stirrup Year End Champion belt buckle with Taz. Mr. Taz has carried a lot of people to the winners

circle in his day with almost 80k in earnings, and I am humbled to have shown such a wonderful horse. This is my second year being the CPRHA Short Stirrup Affiliate Champion in a row with this special boy. Sadly this will be my last year riding this very special horse, but I have had many great years with him. A special thanks to Seth Chamberlain for his guidance and support over the year and helping me to learn more about the sport of reining and pushing me to grow my riding ability and horsemanship.

Caitlyn Cronin - Wimpy Got Spooked Reserve Champion Short Stirrup

Wimpy Got Spooked is my 5 year old mare, Annie, and this is my first year riding her. This year I finished Reserve Champion in the 10 & under Short Stirrup with this wonderful mare. She has been a lot of work but we finally started to figure each other out later

in the season. This season was a wonderful season even though we had a few shows cancelled because of Covid. We still had fun and having fun is the most important thing to know how to do in reining. Annie has been a lot of fun to figure out, and she has definitely helped me to improve my skills, use less legs, and ask for things correctly. Thanks to Kalyn Dixon and Seth Chamberlain for the countless hours support to Annie and I.

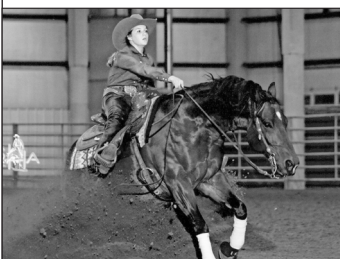

Katie Ramsey, Miss Magnolia Dream Champion Youth 13 & Under, Limited Non Pro

I haven't known Maggie long, but it's been a fun ride so far! We purchased her on July 7th, 2020. I showed her at the Summer Slide in Denver at the end of July. We scored a 142.5 to win the Youth 13U. We continued to get to

know each other over the summer and fall as we practiced and got in the show ring. I am really excited to see how our partnership develops as we get to know each other better. I feel really blessed to have a horse like Maggie. I am also thankful for all of the coaching and encouragement from my trainer, Drake Johnson. It's been a lot of fun going to CPRHA shows with our barn family and I look forward to many more horse shows this year!

Avery Schultis - Way Out of Chrome Reserve Champion Youth 13 & Under, Rookie 1

This was the first year I showed Wayout of Crome (Lio). I enjoyed showing a horse that was a big stopper, but he also challenged me when it

came to perfecting my rundowns. I worked hard to improve with Lio and even ended the year with a few wins. I look forward to competing in the Youth 14-18 class next year because I will face more competition which will push me to become a better rider.

Liz Blaser - West Coast Magnum
Champion Youth 14-18, Ladies, Non Pro, Novice Horse Non Pro 2

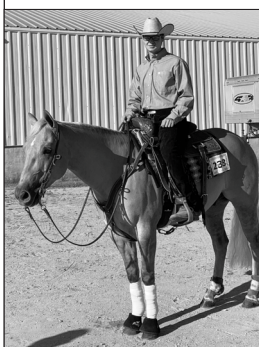

Unbelievable, unconventional, and absolutely perfect. I think that everyone can agree that 2020 has been a year unlike any other. Although it is much easier for a person to get

caught up in the negative, as opposed to staying positive, I believe that through these unprecedented times our hearts were so humbly reminded that God has a plan - one that is much greater than our own. As I was reminded of that this year I could not help but think that although we changed the way we did things, the people stayed the same. From my very first year of reining, I was overjoyed to meet an amazing family in CPRHA. Over the years, my family and I have been extremely blessed to get to know each and

every friendly face at the horse shows and together we have all shared in so many treasured memories. I have the entire CPRHA membership to thank for providing me with an environment where I grew up and became the person I am today. In addition to the people, I am so incredibly thankful to have had such amazing horses over the years who have taught me numerous life lessons to which I accredit some of my most recognizable personality traits. I am especially thankful for West Coast Magnum (aka Magnum) who gave me so much confidence as a rider that has transpired to greater confidence in life. He was truly the perfect horse that gave the world to me along with rides that I will remember for the rest of my life. I always find myself saying that "this year" will be my last year of showing and although I have closed the chapter of my youth career, I know that I will never be done riding and showing and that wherever life takes me I will never be alone or without the love of my reining family.

Jack Berggren – Nic In Town
Reserve Champion Youth 14-18

2020 was an exciting year with some good rides and some not so good rides on Nic. This was my first year riding Nic and I definitely learned a lot and feel that by the end of the year Nic and I were really clicking in the show ring. I am honored to be

receiving the CPRHA reserve champion youth 14-18 award. Big thanks to my sister, CeCe for letting me show this horse. I had a lot of fun. Special thanks to Sherman for all his guidance and patience in teaching me about reining. It has been great being a part of CPRHA, this is a wonderful organization with great people. Bring on 2021!

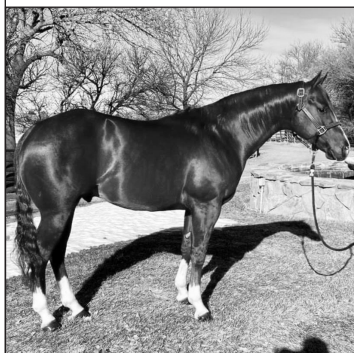

Calyn Dixon - Gussomeshiny Whiz Kid
Champion Green Horse

My name is Kalyn Dixon and I have been Seth Chamberlain's assistant trainer for 3 years. This was also my third year as an open rider. In 2020 I had the opportunity to

show Gussomeshineywhizkid owned by Christi Hauschild in the Green Horse. I am very thankful that I had the opportunity to show "Gus" during his first year of showing. He was really fun to spin and would nail every stop. Gus really impressed me with how much he improved this year. Next year Gus will be shown by his owner in the Green Reiner and the Ladies classes.

Jack Berggren - Roosters Chic Magnet Reserve Champion Green Horse

Roosters Chic Magnet (Benz) was the reserve champion Green Horse in CPRHA for 2020. Benz is a 2016 Stallion sired by Rooster. This is a special horse that I am so lucky to be able to call mine. My uncle raised this horse and he

is a great minded Stallion with a ton of talent. I also showed him in ranch riding a few times this past year with great success earning a handful of AQHA ranch riding points. I am super excited to see what the future holds for Benz and I. Special thanks to Seth for all your help with this one. Also, thanks to my mom and dad for always encouraging me and pushing me to be my best. 2020 was short season but boy was it a lot of fun! Looking forward to seeing everyone in 2021.

Olivia Klug - Smart Sox Reserve Champion Novice Horse NP 1

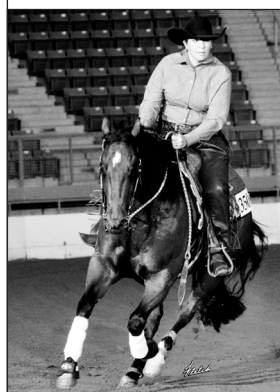

To say that my time riding Smart Sox (Honey) has been an adventure would be an understatement. I began riding Honey in the spring of 2019. Our first year together was filled with ups, downs, and lots of disagreeing with each other. At the end of the 2019 shoe

season, Honey and I were not particularly fond of each other. Then, after a winter of taking a break and then spending every day together in quarantine, we learned to put our differences aside and learn to get along. Honey is extremely stubborn,

and if you know me, then you know that I am too. Once we learned to put our pride aside and work together, we were a whole new team. The 2020 show season was extremely rewarding for us. It was filled with many goals met and new goals set. Each time we reached a goal, there was more to work on. Smart Sox is one of the most talented horses I have ever ridden, and is full of lessons for me to learn. I have become a better rider because of her, and I cannot wait to see what the 2021 season has in store for us. I would like to give a special thank you to Siebrandt Training for the constant support, knowledge, and words of wisdom. An additional thank you to my parents for allowing me to follow my dreams and my CPRHA family for being my biggest support group.

Marie Skolout - Chic Out My Feathers Reserve Champion Ladies Champion Rookie 1 and Rookie 2

Thank you to the CPRHA organization for hosting shows this year, thank you to all of the show staff and volunteers who work hard to put everything together. I fell in love with reining while riding for the K-State equestrian team and told myself one day I would get a reining horse. I am so

blessed to have Oliver (Chic out my Feathers). I have learned so much from him and also great

coaching from Drake Johnson. Special thanks to my parents David and Linda Pabst for sharing their love of horses with me at a young age and who drove my sister and I to 4-H horse shows, lessons and rodeos. I would also like to thank my husband Brad and children Samantha and Tucker for all of their love and support! Oliver and I are looking forward to the 2021 season! Oliver (Chic out my Feathers) and I are excited to get back in the show pen in 2021. Thank you for the very nice beaded picture frame! Thank you to Drake Johnson and my barn family for all of your help and support over this past year!

Natalie Gydesen - Cruisin Mercedes**Champion Novice Horse NP 1****Reserve Champion Novice Horse NP 2, Intermediate Non Pro**

I am so thankful that CRPHA was able to have a show season due to the pandemic and everything going on in the world. My goal for this year was to enjoy all my rides and make memories with friends and family. I was fortunate enough to be able to go to the Affiliate Championships in Oklahoma City and we had

one of our best rides yet! I have been very fortunate to have family and friends that helped me throughout all my years of showing. Mom and Dad, thank you for always taking time out of your

day to take care of my horses, take horses to the vet, and driving me to all of the shows, your support doesn't go unnoticed and I greatly appreciate everything that you guys do. A special thanks to Amy and Liz Blaser for all of the love, support, and memories that we have made along the way. I also cannot thank Carol Nielson enough for convincing me to get into the sport of Reining. If it wasn't for her, I wouldn't have all of these amazing experiences and friends! I also want to thank Vanessa Gravatt and Serena Siebrandt for all your coaching and guidance throughout all of the years. Thank you CPRHA for all of the fun shows! Congratulations to everyone on a great show season and good luck in 2021!

Addyson Sherbeck - Smart Like Einstein**Champion Green Rider**

I began this year's goals in March when I met my new partner, Smart Like Einstein (Maverick). I wanted to step up to the NRHA level and compete in as many CPRHA shows my parents could take me to. One of my goals was to learn as much as I could from Maverick

and my mentor, Josie. Another was to become a team with Maverick and my ultimate goal, to shoot

for the Green Rider Champion! I am very proud and thankful for what I have accomplished this year. One of the best experiences this year was getting to watch the NRHA Futurity and competing in the Adequan NAAC Championship show. I am very happy with how Maverick and I did in the 13 & under class. I am excited to do some fine tuning and go back again next year. Thank you to Josie Ketelsen, my horse family and my parents for helping me get to where I am today and for all of the support they have given me.

Alessa Gall - Little More Sugar**Reserve Champion Green Rider**

My first year riding Lil More Sugar (Sugar) has been successful. Sugar gave me lots of challenges that made me a better rider and she really is a great horse for me. When we went into the show pen, I knew she

gave it her all and that's all I ask for. I wanted to be awarded reserve champion or champion and we were able to achieve that. This all wouldn't have happened without my amazing horse trainer, Serena Siebrandt, and all the CPRHA family. Serena has taught me so much and has always supported me. The CPRHA horse family has supported me and so has my family and friends.

Candice Runge - Chex Your Step Reserve Champion Rookie 2

I couldn't be more humbled and honored to be the CPRHA reserve champion for Rookie 1 last year and now Rookie 2 this year. My horse Chex Your Step, and I have just kept progressing. I would like to thank

everyone at Chamberlain Performance horses for supporting me and helping me get better every time I show. My family has always been behind me and I am forever grateful to them. Finally all the friends I have made within CPRHA. I can't wait to get back in the pen!

Chris Ludlow – Boomerstar Catelyn Champion Intermediate Non-Pro, Prime Time Non-Pro

I have a lot of fun showing Catelyn! Why? Because she is steady and confident when you are getting ready to walk into the show pen. That allows me to think, breath and then... enjoy the

ride. On the maneuvers, she tries hard but it is the calm between maneuvers that I really cherish. This is our first year showing together and working hard on our consistency is what helped us grab these two CPRHA titles.

I am so lucky to be able to foal and raise my own horses because I get to start building trust

when they are born and now in the show pen too. It is a beautiful thing to experience!

Seth Chamberlain trained Catelyn and it was his assured support of Catelyn's talent that I now have this awesome show horse. I can't thank him enough for all his great work. Also thank you CPRHA for the beautiful buckles!

Boomerstar Catelyn is owned by Chris Ludlow-Young and Rick Young. Catelyn is 5 years old by their stallion Starlights Boomernic (Ajax) and out of their mare Hot Doc Janette (Netta) both were shown successfully in the NRHA. Catelyn's success is very special to them and their program to raise beautiful quality prospects. They own and operate WORKHORSE Stallion Station located in Silver City, Iowa and stand Starlights Boomernic. See ad for more information.

Celeste Anderson - Roosta Champion Prime Time Rookie Reserve Champion Prime Time Non Pro

I am very thankful that I have been able to show Roo these last few years. Just getting out and learning this wonderful sport of Reining has been awesome. But I feel extremely Blessed to be able to do it with such in-

credible people who I now consider friends and being able to make such wonderful memories.

Thank you to CPRHA family for working so hard to make a show year even possible. This year although challenging for us all in some ways it did seem to make it even sweeter once we were able to get rolling.

Thank you, Siebrandt Training, for your continued coaching to help make me a better rider and make it possible for me to be able to compete for and win Reserve in Prime Time Non Pro and Champion Prime Time Rookie. The picture frame and buckle both rock!

Kathy Johansen - Gotta Smart Whiz
Reserve Champion Prime Time Rookie

Last year was pretty crazy, I was so thankful that CPRHA forged ahead with their shows. I bought a new horse at the Futurity and was excited to get to show him. Bentley and I had some wins, losses and some

zeros, as to be expected. He is the smoothest horse that I have owned and he is easy to stop and spin. We began ranch riding as well and we both really like it. We ended up going to AQHA World Show and placed fourth in the Select One Ranch Riding. That was the highlight of my year. Hoping this year we can improve and do even better with the continued support of my trainer and friend, Serena Siebrandt.

Krista Marshall - Steppin on Stars
Reserve Champion Limited Non Pro, Non Pro

Steppin on Stars, affectionately known as Lynx, is the most mellow and laid back gelding I have had the pleasure of riding. Lynx's

big heart and maneuvers make each trip through the show pen enjoyable. The combination of this horse and coach Dallas Cunningham has made each show season more fun than the previous! Thank you to CPRHA for the great events!

Joseph Treib - Baylees Irish Cream
Champion Mens

Dallas Cunningham Performance Horses trained and showed Baylees Irish Cream up through his derby year. Now it was my turn to take over the controls to this

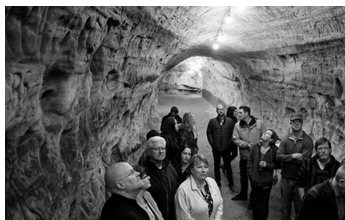

gorgeous talented gelding. I was very rusty in the show pen, but Baylee took good care of me. I can't wait for this coming show year to see how far Baylee will take me.

Bob Montgomery - Gunna Be A Princess
Champion Novice Horse Open 1 & 2
Reserve Champion Open

Thank You and Congratulations to Drake Johnson and Gunna Be A Princess on winning Novice Horse open 1 & 2

year end awards. Drake did his usual great job of showing and training my talented and sweet young mare! Wishing continued success to Doug and Seth with Nellie! Thanks to everyone at CPRHA for giving us the opportunities to show

Marcelo Gusman - Lil Rockstar
Champion Open 1, Limited Open, Intermediate Open
Reserve Champion Novice Horse Open 1 & 2

Lil' Rockstar is a very special stud that wins over the heart of everyone that meets him because of his kindness, temperament and talent. He is a Purebred Chilean Horse that started his career under the saddle on 2017 at the age of 5 yo and as a 6yo he flew to the United States after qualifying for the 2018 World Equestrian Games with a score of 73,5 pts. on FEI CRI 3*, setting a record in Chile with this score.

In 2019 he started his career in the NRHA, competing in the ancillary classes at the NRBC and at the NRHA Derby earning money in the Novice Horse I and II, which helped him earn a new title at the Kansas Reining Horse Association Year End Award as 2019 KRHA Novice Horse Champion.

In 2020, he kept earning money and trophies in the competitive CPRHA Circuit in the Open, Ltd. Open, Intermediate Open, Rookie Pro, Novice Horse classes and was even two times Reserve Champion in big Ranch Riding classes.

He is a very well minded stud with a huge heart, who has won mostly with his trainer and owner Marcelo Guzmán at Open Classes but has also earned money with Marcelo's wife along with the Para-Reiner Briana Bartlett with whom he was Reserve Champion on a Ladies Class with over 50 riders and was two times Champion in Grade 3 Para Reining Classes.

And Lil' Rockstar closed his 2020 season by winning all the CPRHA Year End Open buckles and was also Reserve Champion in all the Novice Horse Classes. Now he is starting new sport challenges in Arizona, his first offspring will be born in 2021 and his semen is available to be shipped all over the USA, Europe and Australia.

Roger Tegtmeier 1947-2020

Long time CPRHA member Roger Tegtmeier passed away Monday, July, 20th, 2020. Roger passed away unexpectedly after spending his last day doing things he most enjoyed: riding horses, working with his coon hunting dogs and getting his favorite dinner of chicken pot pie.

Roger was one of the original founding CPRHA members. As a lifetime horse enthusiast, Roger instantly fell in love with the sport of reining after watching NRHA Hall of Fame Member, Bob Loomis compete at the Nebraska State Fair in the 1970s. From that moment on he pursued reining at every opportunity. Roger frequently visited Loomis's training facility in Lincoln, NE and then later Bee, NE trying to learn all he could.

Roger spent many years working with trainer Don Malcom of Lincoln, NE. In the late 80s early 90s Nick Johnson, a young trainer had just moved back home to Madison, NE. Johnson had spent the previous few years working with NRHA Hall of Fame trainers Bob Loomis and Bill Horn. Johnson had strong ties to CPRHA as well with his mother, Lavonne Kruid, being one of CPRHA's founding members. With this new excitement around the sport of reining in Nebraska, Roger had to be part of it.

In February of 1990 Roger went in search of a Futurity prospect to enter into the first reining futurity offered at the Nebraska Silver Classic. He settled on a green broke three year old mare from local AQHA Breeder Gary Clow. The mare was by Gary's AQHA Champion Sire Mr. Jaguar. Roger put Miss Jo Jaguar in training with Johnson in March of 1990 where he spent the spring and summer trying to get her caught up to his other two futurity horses. That fall Miss Jo Jaguar made her debut at the Nebraska Silver Classic and had a successful showing placing 4th and earning a significant pay check of over \$1,000 which was the largest prize Roger had ever won with one of his horses.

In 1991 CPRHA had officially organized and joined as an NRHA affiliate with 3 other NRHA affiliates to create a circuit of shows. Each club put on one show to create The Heart of America Reining Circuit. The Affiliates involved in the circuit were CPRHA, KRHA (Kansas Reining Horse Association), MRHA (Missouri Reining Horse Association) and SWMRHA (Southwest Missouri Reining Horse Association). The first show was held in May of 1991 in Columbus, NE, the second was in June in Carthage, MO, the third was held in July at Columbia, MO and the final show was held in Topeka, KS in August. To fully participate in this new organization, Roger had purchased a second horse from Nick Johnson, Jae Bar Nisa, who as one of Nick's other Futurity horses. He hired Nick Johnson show Jae Bar Nisa in the Open competition and he showed her in the Rookie class. Miss Jo Jaguar was shown in the youth class by Roger's son Sherman Tegtmeier. It was a successful season for the new reining family as Jae Bar Nisa became the Heart Of America Open Year End Champion, Miss Jo Jaguar became the Youth Year End Champion.

This first season with CPRHA completely hooked the Tegtmeier family on the sport of reining. Roger was an active member of CPRHA and seldom missed a show. The family became very involved as wife Julie Tegtmeier soon after started helping in the show office and son Sherman Tegtmeier went on to become one of CPRHA's board members and club trainers.

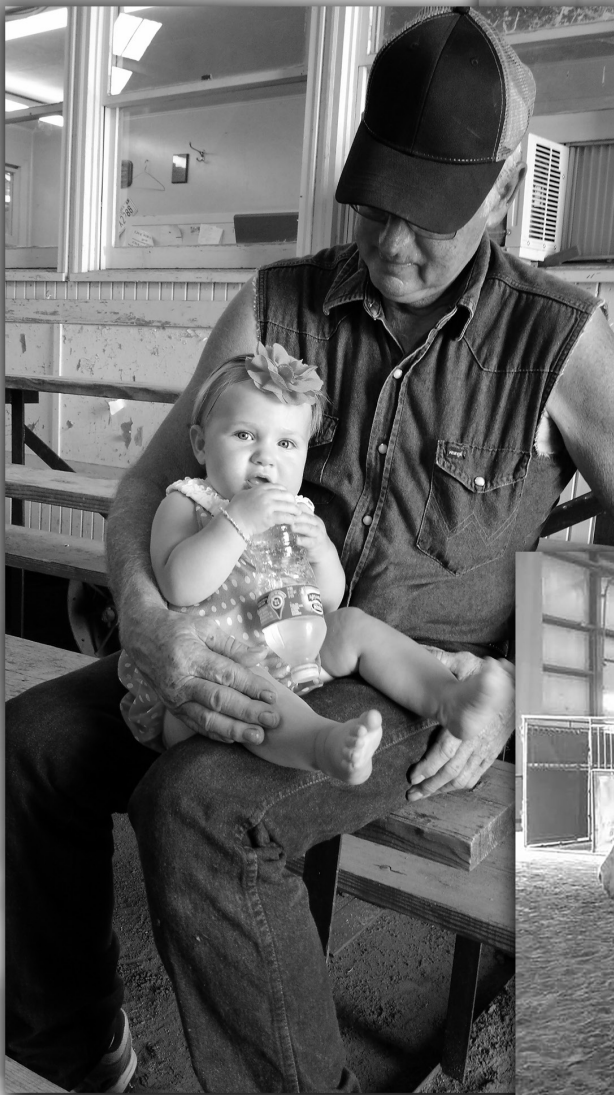

Throughout the 20 years of experience with CPRHA, Roger had many reining horses that he showed and enjoyed. Rogers favorite horses were these first two as well as the last two horses he enjoyed competing with Sante Fe Whiz and Breakout Wrangler.

Roger was regularly found at the shows around the warm up pen and entry gate often offering encouragement and support to his fellow exhibitors. He was always interested in what his friends were riding and was always in search of new horse. Roger will be missed by all who knew him.

If I could choose the way to go
I'd choose the way my friend did go
To spend the day doing what I enjoy.
Then sit down to rest.
To fall asleep here on earth in an armchair
And wake up in heaven in Jesus' arms.
Oh, what a dream that must have been.

*Congratulations to
Olivia Klug, the 2021
NRHyA President!*

NRHyA VARIETY REINING CLUB

Turn in your points for awesome prizes!

The Varsity Reining Club ("VRC") was established to engage youth members and encourage them to become more active at both local and national levels. This program offers NRHyA members opportunities to contribute to the youth association and to develop valuable life skills.

In addition to the youth members interacting with one another and participating in the program, we also want to provide life skills that will help them grow and mature. Stressing the importance of community service, being an active member in a group and learning to work with others, public speaking, written communications skills and creativity are all important skills that can be further developed by participating in this program.

SUBMISSIONS

Submissions vary from fundraising and volunteering to creative writing and good grades. Just take the time to log your activities and NRHyA will award you points. Make sure to check the home page each month to see which activity will get you double points. **All activity must be submitted within 30 days of completion. All submissions due by December 15th.**

PRIZES

There are great prizes to choose from once you have earned points. You may request to "purchase" prizes with your points throughout the year or wait until the end for a huge shopping spree! All prize requests must be made on or before December 20. Points expire at the end of each year. Keep an eye out for new prizes!

For additional information about the NRHyA Varsity Reining Club, available scholarships and core levels go to the NRHyA website or contact NRHyA at (405) 946-7400 or youth@nrha.com

CPRHA Youth Pride

Watch us SLIDE

**There's no better time
to be a REINER...
a CPRHa Youth REINER!**

Fun, Friends & the Future Leaders of Reining

CPRHA offers young reiners of all ages and experience levels the opportunities they need to get started in the sport of reining. Competition points are earned throughout the year according to their placings. The CPRHA youth love reining horses and enjoy the opportunity to share experiences with friends.

Although the CPRHA youth are very talented and competitive, they help each other out at shows and encourage everyone to do their best. At the shows, the CPRHA youth like to barbeque, play games, hang out together, and even sit by a bonfire to relax with friends and parents. Along with showing, the CPRHA youth participate in meetings and other fundraising events, working together to promote the sport of reining and encouraging others to get involved in the organization. Come on out in 2018 and see what the CPRHA youth are all about!

WHAT YOUTH EXHIBITORS NEED TO KNOW BEFORE THEY SHOW

- If you are showing in Youth or Youth Rookie classes, you must have a Youth membership card. Any youth 18 years of age or younger as of January 1st may become a Youth member of the NRHA.
- Youth members are not automatically considered Non Pro. If a Youth plans to show in Non Pro or Rookie classes, they are required to complete and sign a Non Pro application. Non Pro status is not required if you are showing in Youth or Youth Rookie classes only.
- All horses entered in NRHA approved competition are required to have a competition license. Gelded status must be indicated on the competition license for entry into Youth classes. It is the responsibility of the exhibitor to notify the NRHA Office of Gelding status.
- All horses shown in Youth competition must be solely owned by one of the following (a) the youth, (b) a member of his/her immediate family, or (c) a corporation, partnership or other business entity provided the Youth and/or a member or members of his/her immediate family are the sole and only owners of that business entity. It is the responsibility of the exhibitor to complete a relationship form to be filed at the NRHA Office.

OSPPOS[®] (clodronate injection)

FOR EVERY EQUINE DISCIPLINE

The intramuscular bisphosphonate injection for control of clinical signs associated with Navicular Syndrome in horses 4 years of age and older

Learn more online

www.dechra-us.com
www.osphos.com

As with all drugs, side effects may occur. In field studies and post-approval experience the most common side effects reported were signs of discomfort, nervousness, and colic. Other signs reported were: renal insufficiency/failure, anorexia, lethargy, hypercalcemia, behavioral disorders, hyperkalemia, hyperactivity, recumbency, hyperthermia, injection site reactions, muscle tremor, urticaria, hyperglycemia, and fracture. **In some cases, death has been reported as an outcome of these adverse events.** The safe use of OSPPOS has not been evaluated in horses less than 4 years of age or breeding horses. OSPPOS should not be used in pregnant or lactating mares, or mares intended for breeding. NSAIDs should not be used concurrently with OSPPOS. **Concurrent use of NSAIDs with OSPPOS may increase the risk of renal toxicity and acute renal failure.** Use of OSPPOS in patients with conditions affecting renal function or mineral or electrolyte homeostasis is not recommended. Refer to the prescribing information for complete details or visit www.dechra-us.com.

CAUTION: Federal law restricts this drug to use by or on the order of licensed veterinarian.

* Freedom of Information Summary, Original New Animal Drug Application, approved by FDA under NADA # 141-427, for OSPPOS. April 28, 2014.

Dechra Veterinary Products US and the Dechra D logo are registered trademarks of Dechra Pharmaceuticals PLC. © 2020 Dechra Ltd.

OSPPOS[®] (clodronate injection)

Bisphosphonate.

For use in horses only.

Brief Summary (For Full Prescribing Information, see package insert)

CAUTION: Federal (USA) law restricts this drug to use by or on the order of a licensed veterinarian.

DESCRIPTION: Clodronate disodium is a non-amino, chloro-containing bisphosphonate. Chemically, clodronate disodium is (dichloromethylene) diphosphonic acid disodium salt and is manufactured from the tetrahydrate form.

INDICATION: For the control of clinical signs associated with navicular syndrome in horses.

CONTRAINDICATIONS: Horses with hypersensitivity to clodronate disodium should not receive OSPPOS. Do not use in horses with impaired renal function or with a history of renal disease.

WARNINGS: Do not use in horses intended for human consumption.

HUMAN WARNINGS: Not for human use. Keep this and all drugs out of the reach of children. Consult a physician in case of accidental human exposure.

PRECAUTIONS: OSPPOS has been associated with renal toxicity. Concurrent administration of other potentially nephrotoxic drugs should be approached with caution and renal function should be monitored. Use of bisphosphonates in patients with conditions or diseases affecting renal function is not recommended. Horses should be well-hydrated prior to and after the administration of OSPPOS due to the potential for adverse renal events. Water intake and urine output should be monitored for 3-5 days post-treatment and any changes from baseline should elicit further evaluation. As a class, bisphosphonates may be associated with gastrointestinal and renal toxicity. Sensitivity to drug associated adverse reactions varies with the individual patient. Renal and gastrointestinal adverse reactions may be associated with plasma concentrations of the drug. Bisphosphonates are excreted by the kidney; therefore, conditions causing renal impairment may increase plasma bisphosphonate concentrations resulting in an increased risk for adverse reactions. Concurrent administration of other potentially nephrotoxic drugs should be approached with caution and renal function should be monitored. Use of bisphosphonates in patients with conditions or diseases affecting renal function is not recommended. Administration of bisphosphonates has been associated with abdominal pain (colic), discomfort, and agitation in horses. Clinical signs usually occur shortly after drug administration and may be associated with alterations in intestinal motility. In horses treated with OSPPOS these clinical signs usually began within 2 hours of treatment. Horses should be monitored for at least 2 hours following administration of OSPPOS.

Bisphosphonates affect plasma concentrations of some minerals and electrolytes such as calcium, magnesium and potassium, immediately post-treatment, with effects lasting up to several hours. Caution should be used when administering bisphosphonates to horses with conditions affecting mineral or electrolyte homeostasis (e.g. hyperkalemic periodic paralysis, hypocalcemia, etc.). The safe use of OSPPOS has not been evaluated in horses less than 4 years of age. The effect of bisphosphonates on the skeleton of growing horses has not been studied; however, bisphosphonates inhibit osteoclast activity which impacts bone turnover and may affect bone growth.

Bisphosphonates should not be used in pregnant or lactating mares, or mares intended for breeding. The safe use of OSPPOS has not been evaluated in breeding horses or pregnant or lactating mares. Bisphosphonates are incorporated into the bone matrix, from where they are gradually released over periods of months to years. The extent of bisphosphonate incorporation into adult bone, and hence, the amount available for release back into the systemic circulation, is directly related to the total dose and duration of bisphosphonate use. Bisphosphonates have been shown to cause fetal developmental abnormalities in laboratory animals. The uptake of bisphosphonates into fetal bone may be greater than into maternal bone creating a possible risk for skeletal or other abnormalities in the fetus. Many drugs, including bisphosphonates, may be excreted in milk and may be absorbed by nursing animals.

Increased bone fragility has been observed in animals treated with bisphosphonates at high doses or for long periods of time. Bisphosphonates inhibit bone resorption and decrease bone turnover which may lead to an inability to repair micro damage within the bone. In humans, atypical femur fractures have been reported in patients on long term bisphosphonate therapy; however, a causal relationship has not been established.

ADVERSE REACTIONS: The most common adverse reactions reported in the field study were clinical signs of discomfort or nervousness, colic and/or pawing. Other signs reported were lip licking, yawning, head shaking, injection site swelling, and hives/pruritus.

POST-APPROVAL EXPERIENCE (December 2018): The following adverse events are based on post-approval adverse drug experience reporting. Not all adverse events are reported to FDA/CVM. It is not always possible to reliably estimate the adverse event frequency or establish a causal relationship to product exposure using these data.

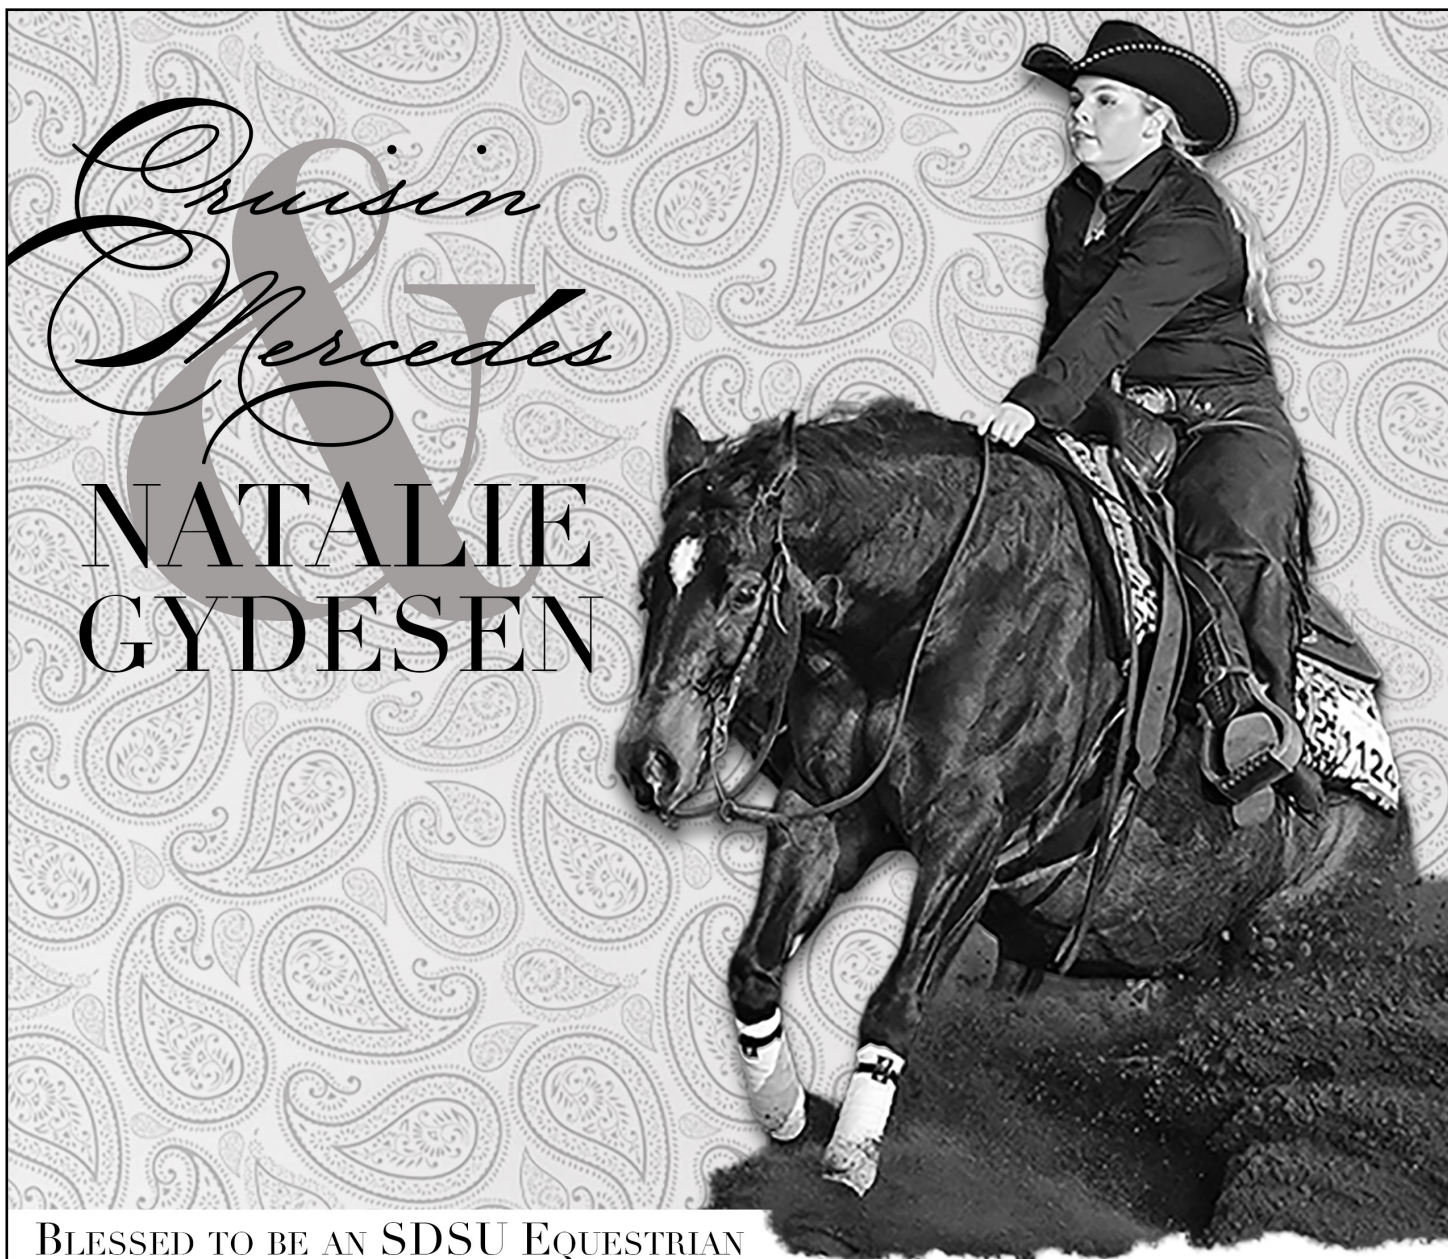

The following adverse events are listed in decreasing order of reporting frequency: renal failure, polyuria, polydipsia, abdominal pain, anorexia, lethargy, hypercalcemia, behavioral disorder, discomfort, hyperkalemia, hyperactivity, recumbency, hyperthermia, injection site reactions, muscle tremor, urticaria, hyperglycemia, and fracture. In some cases, death has been reported as an outcome of the adverse events listed above.

INFORMATION FOR HORSE OWNERS: Owners should be advised to:

- NOT administer NSAIDs.
- Ensure horses have access to adequate water before and after administration of OSPPOS.
- Observe their horse for at least 2 hours post-treatment for signs of colic, agitation, and/or abnormal behavior.
- If a horse appears uncomfortable, nervous, or experiences cramping post-treatment, hand walk the horse for 15 minutes. If signs do not resolve contact the veterinarian.
- Monitor water intake and urine output for 3-5 days post-treatment.
- Contact their veterinarian if the horse displays abnormal clinical signs such as changes in drinking and urination, appetite, and attitude.

The Founding and Early Years of the Central Plains Reining Horse Association

By Ashley Strehle Hartman, freelance writer and editor

The Central Plains Reining Horse Association (CPRHA) was founded twice.

In its first incarnation, CPRHA can trace its roots back to the 1970s and the formation of the Reining Horse Association of Nebraska (RHAN).

RHAN was devoted to reigning horses for several years. Then the group's name was changed to the Performance Horse Association of Nebraska and it began to promote performance horses as well. The association folded after a few years.

Around 1980, a group of Nebraska reining horse enthusiasts gathered in Fremont, Nebraska for a reining clinic. This would lead to the revival of the CPRHA.

"During the lunch break, an organizational meeting was held to form what was to become the Central Plains Reining Horse Association," said Ron Petersen, who was one of the original members of RHAN and CPRHA. CPRHA was born – or back again – depending on how you look at it. The second incarnation of CPRHA was formed for the same reason

RHAN was – because its early members like Petersen "felt the time was right for a dedicated organization serving reining horse enthusiasts in Nebraska."

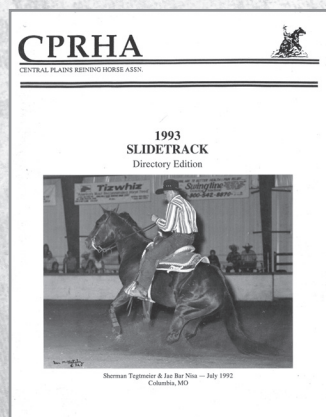

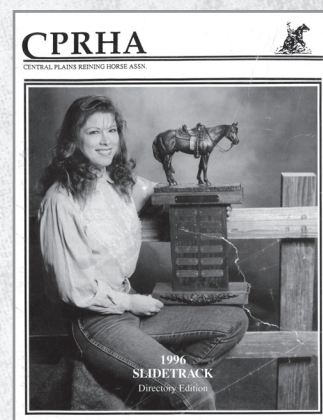

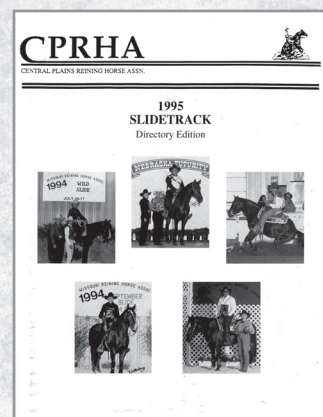

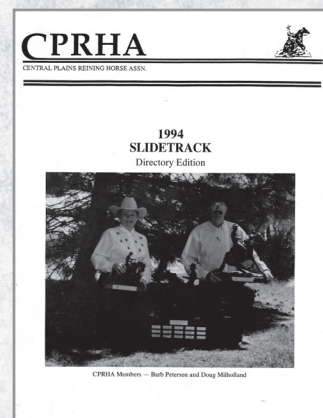

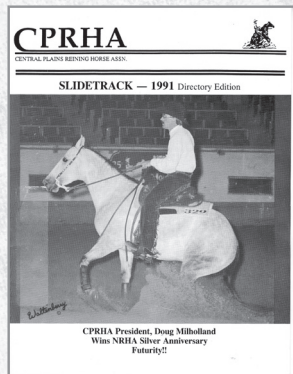

Though the timing was right, that didn't mean things were easy for the young association.

"There were, predictably, many challenges during those early years," Petersen said. "But the two most challenging were probably raising the funds necessary to add classes to our National Reining Horse Association-approved shows and finding suitable facilities to hold our shows."

To fund many of its activities, Petersen said the early CPRHA held a reining clinic "with some of the most prominent, respected reining trainers in the industry." Those trainers included Bill Horn, Tim McQuay, Craig Johnson, Doug Millholland and Bob Loomis, among others.

To deal with their lack of funds for facilities, early CPRHA leaders had to get creative. They started to pair their shows with quarter horse shows. "While this would provide us a location, it often presented other challenges," Petersen said.

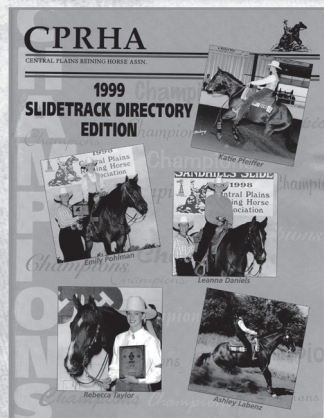

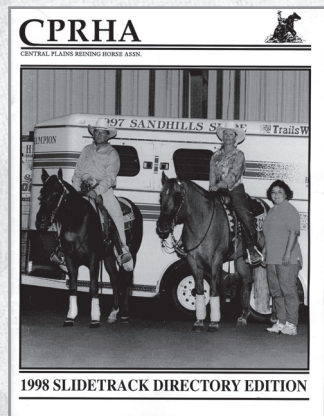

"Early members may remember the arena in Shenandoah, Iowa, where we had to

avoid the tree in the middle of the arena at the same location of a lead change!"

But early CPRHA leaders took these problems in stride, and they did the same with the challenge of growing membership. Petersen said they focused on two things during those early years - providing a fun environment for people to show reiners and creating a non-intimidating environment for newcomers.

"I don't think anyone on any of the early boards ever specifically gave a thought to growth," Petersen said. "I think we all just felt that if we successfully did those two things, growth would logically follow, and it did."

Though the CPRHA has since grown, many of Petersen's fondest memories of the association are of simpler times.

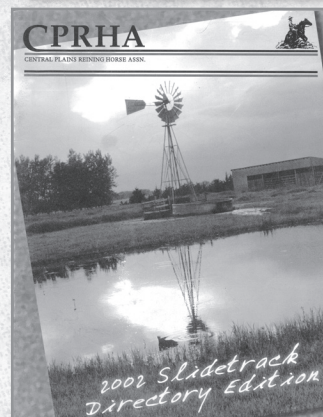

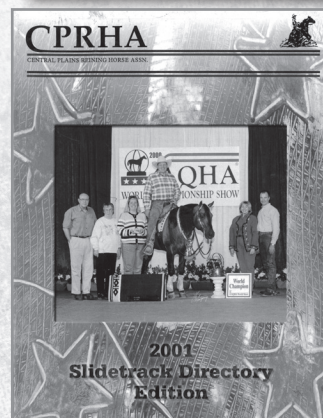

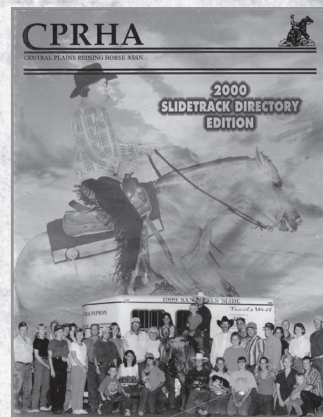

During the early days of the CPRHA, the association would hold monthly winter reinings in Fremont. It was often only 10 degrees outside and ten horses were considered a huge class. But, all the same, Petersen remembers these events with affection, especially the dinners participants would share at the Pancake House afterwards.

"Those little weekend reinings and the friendships and camaraderie that developed, especially at the after-reining meals, are some of my fondest memories of the early CPRHA," he said.

Petersen said the main difference between the CPRHA of those days and today is "unquestionably the quality and talent of our horses."

"We showed some nice horses in those early days," Petersen said. "But it was nothing like the talent available now."

Though the horses themselves and the CPRHA have evolved, there is one thing that has remained constant. The friendships and camaraderie members develop through CPRHA remain exactly the same - even after all these years.

The Retirement of the Memorial Bronze Shayla Zmek Perpetual Memorial Bronze

In Loving Memory of Shayla Zmek

June 4, 1977 - August 5, 1994

"May you ride with God's love and peace in His arena as beautifully and skillfully as your rode in any arena on earth"

~ Written by Shayla's father, Larry Zmek for her headstone

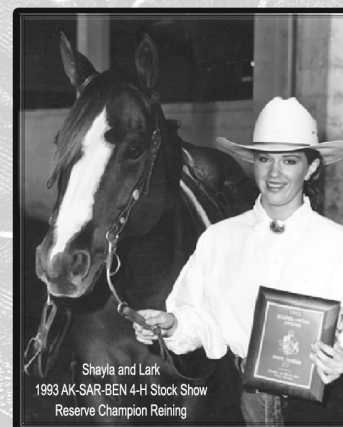

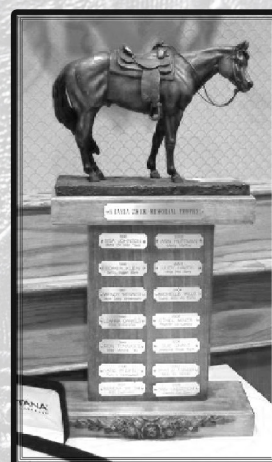

We have decided to retire the Perpetual Memorial Bronze "An Empty Saddle". The bronze was created in the likeness of Good Time Lark by CR Morrison of Livingston, MT and donated to our family by CR and Doug Milholland. CR had owned Lark before we purchased him from Doug. We are forever grateful to CR and Doug for providing this beautiful tribute to Shayla.

Shayla and Lark were a competitive team in the reining world, showing NRHA, 4-H and Open Shows. They added horsemanship and had been preparing for the Versatility competition at AK-SAR-BEN. Among their special accomplishments were the 1993 CPRHA Champion Rookie Reiner & the 1994 Reserve Champion in Sr. Reining at the State 4-H Horse Expo.

We had Lark until he passed in 2016 at the age of 30. For 22 years, he was our living reminder of Shayla. Our grandchildren Landon, Shyann and Alanna were able to know Lark and he had a very special place with our family. Our four legged friends/family shape us into the people we are today. Through them, we have met wonderful friends across the country. The love and support that we received at the time of the accident and beyond have enabled us to get through the unimaginable loss of our daughter. Thank you is not enough. We continue to move forward, never forgetting our fun times, crazy times and horse show times. To our "horse family" who supported us when we struggled, we will be *forever* grateful for your love and support.

**There have been 25 Rookie Champions that took Lark home
and we are bringing him to our home to share with family and friends**

From our family ~ Larry & Faye, Ryan & Ashley, Landon, Shyann and Alanna Zmek

2019-2020 Winner of the Bronze with Shayla's nieces and nephew:
L-R: Shyann Zmek, Amanda Coulter, Alanna Zmek and Landon Zmek. Our Grandkids love presenting the bronze in memory of their Aunt Shayla to the winners.

Ad Specifications & Design Requirements:

Back & Front Covers: Full Page Color Ads
(Converted to CMYK), Size 8.5" X 11" With 1/4"
Bleeds On All Four Sides.

- All Other Grayscale Ads, Size 7.5" X 10", No Bleeds.
- Resolution on all ads need to be 300 dpi or more if submitting in .jpeg, .eps, .pdf or .tif.
- All submissions for completed ads must be received no later than December 31, 2020 to be included in the 2021 Directory.
- **Submit completed ads to cprhirectory@gmail.com. Payment** can be made out to CPRHA & mailed concurrently to Serena Siebrandt, 2259 Rd 5, Clarkson, Ne 68629
- If you'd like to be in the Directory and need someone to design your ad, please contact Isabelle Barrett 405-889-2588. Decide on size of ad, email photos & logo and contact information as well as ad inspiration and expectations to cprhirectory@gmail.com Images must be at least 300 dpi & logos must be high resolution to be included in the ad. Please have your ad details to Isabelle on or before **December 31, 2021**. You will receive a proof via email before the ad is submitted to the Directory. Charges for the ad design will be coming from Isabelle Barrett. This \$60 charge is for design only, not for the ad space in the directory. Please submit candid adult and youth photos to Deborah Ritz, cprhirectory@gmail.com to be used as filler on various pages of the Directory.

Additional Questions - Contact: Deborah Ritz, cprhirectory@gmail.com, Cell Phone: 308-215-0477

1. Championship Year End Awards will be given in the following classes: Short Stirrup Youth 10 and Under, Youth 13 and Under, Youth 14-18, Green Rider, Green Horse, Ladies, Men, Novice Horse 1, Novice Horse 1 Non-Pro, Open, Non-Pro, Limited NonPro, Prime Time Non-Pro, Rookie 1, Rookie 2 and Prime Time Rookie.
2. Owner and Rider must be a member of CPRHA before points count toward Year End Awards.
3. Points will be awarded based on total # of horses in the class ie 24 horses in the class. 1st place is awarded 24 points. Horses with a 0 score will be awarded a 0 but will get credit for showing in the class. Points are accumulated on a one-horse one-rider basis (just as NRHA awards Affiliate Points). Tie breaker: 1. Number of times class was entered. 2. Individual with the highest placings (number of firsts, highest scores, etc.)
4. Horses and Riders must show in the class in which they are attempting to qualify for a CPRHA Year End Award in over ½ of the circuit shows.
5. The Green Rider, Green Horse, Ladies and Mens classes are not NRHA approved classes. Riders do not have to be NRHA members and the horse does not need to have a competition license. Riders starting the pattern one handed must run the entire pattern one handed. Riders starting the pattern two handed must run the entire pattern two handed. Either way is acceptable. To be eligible for the Green Rider class, the entrant must not have won a reining class at the start of the year except in local 4-H competition or local open shows. Also, the rider must not have won over \$100 in reining competition. Green Horses must not have won a reining class at the start of the year or won over \$100 in reining competition. Before entering in a Green Horse or Green Rider class, each exhibitor will be expected to complete a Green Rider and/or Green Horse Declaration Form This form can be completed when registering and will only need to be filled out once a year. The CPRHA Board reviews the right to review these declarations.

To see the NRHA Affiliate Qualifying rules go to NRHA.com, click the program tab then click Affiliate. Please read this section in its entirety if you are interested in showing at the Regional Affiliate Finals and the North American Affiliate Finals.
